Russell Nelson  
Regional Standards Coordinator  
Water Quality Protection Division  
U.S. EPA, Region 6

Dear Mr. Nelson,

I just received the attached records as partial response to my FOIA request EPA-R6-2015-003886.

In your letter dated January 29, 2015 to Doug Szenher at Arkansas Department of Environmental Quality (ADEQ) regarding a communication I had with Stephen Tzhone of EPA, you stated your incorrect understanding:

**"It is my understanding that the Mr. Grisham is or is one of the owners of a property on which a superfund site is located in Omaha, AR."**

Please allow me to reiterate emphatically:

**I am not, nor have I ever been, an owner of or an operator at the property on which the Arkwood, Inc. Superfund site (EPA ID: ARD084930148 Site ID: 06A3) is located.**

Sincerely,

Charles Curtis Grisham, Junior
